for export permits and Meat Transfer
Certificates**

Assessment Requirements for AMPMSY416 Raise and validate requests for export permits and Meat Transfer Certificates

Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 8.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has raised and validated Requests for (export) Permits (RFPs) and Meat Transfer Certificates (MTCs) for at least two different lots of meat, including:

- prepared export documentation accurately and consistently
- verified traceability from loadout back to producer or harvester
- identified processes and information required to address specific customer requirements
- validated prepared documentation.

Mandatory workplace requirements

All performance evidence specified above must be demonstrated in an export meat premises.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- customer, regulatory and workplace requirements related to preparing and validating export documentation
- workplace responsibilities related to the preparation of export documentation under the Approved Arrangement
- roles and responsibilities of regulatory personnel
- workplace traceability systems
- verification and validation processes and responsibilities
- the registration process for a RFP validator
- roles and responsibilities of an RFP validator
- the consequences associated with inaccurate or incomplete export documentation
- the process associated with an RFP amendment request

- methods to identify and resolve issues related to timeline faults, trade descriptions, cut codes, label printing and placement errors, electronic system failure, raising claims, incorrect dates, incorrect container numbers, and wrong seal numbers.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - *skills must be demonstrated in an export meat premises*
- resources, equipment and materials:
 - *systems for producing export documentation*
 - *access to data systems to validate traceability of meat*
- specifications:
 - *regulatory requirements for export of meat.*

Assessment for this unit must include at least three forms of evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.

Mandatory workplace requirements

Mandatory workplace requirements are shown in *italic* text. Refer to the Companion Volume Implementation Guide for further information.
