Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Prepare for work	1.1 Identify work instruction and specifications for processing bibles 1.2 Identify workplace health and safety requirements for task, including personal protective equipment 1.3 Identify types and sources of contamination and cross-contamination 1.4 Identify hygiene and sanitation requirements for the work area 1.5 Identify equipment for task and carry out pre-start checks
2. Trim bibles	2.1 Operate equipment to clean bibles, following workplace instructions, workplace health and safety requirements and hygiene requirements 2.2 Identify and trim defects in bibles, including retained ingesta and incorrect cutting lines 2.3 Place trimmed waste in inedible bin or chute for disposal 2.4 Store processed and trimmed bibles following workplace requirements

Foundation Skills

This section describes those language, literacy, numeracy and employment skills that are essential for performance in this unit of competency but are not explicit in the performance criteria.

Skill	Description
Reading	• Interpret key elements of workplace requirements for task
Oral communication	• Interact with team members and/or supervisor to ensure flow of work is maintained • Ask questions to clarify information

Range of conditions

This section specifies different work environments and conditions in which the task may be performed.

This unit must be delivered in one of the following registered meat processing work environments.

Micro meat processing premises	- operating fewer than four days a week with a small throughput for one or more, small or large, species, or - employing fewer than four workers on the processing floor
Larger meat processing premises	- operating more than four days a week with a throughput for one or more, small or large, species, or - employing more than four workers on the processing floor

Assessment Requirements for AMPOFF216 Process bibles

Modification History

Release	Comments
2	This version was released in AMP Australian Meat Processing Training Package Release 9.2. Updated to show Mandatory workplace requirements in <i>italic</i> text.
1	This unit of competency was first released in AMP Australian Meat Processing Training Package Release 9.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has processed bibles, to workplace requirements, in a micro or larger meat processing premises.

There must also be evidence that the individual has completed two shifts on the job, fulfilling workplace requirements (these shifts may include normal rotations into and out of the relevant work task).

Mandatory workplace requirements

All performance evidence specified above must be demonstrated in a meat processing premises.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- workplace requirements for processing bibles
- basic operating principles of equipment used to clean bibles
- sources of contamination and cross-contamination and how they are controlled
- workplace health and safety hazards encountered with processing bibles, and how the associated hazards are controlled
- hygiene and sanitation requirements related to processing tripe.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - *skills must be demonstrated in a meat processing premises at workplace production speed*
- resources, equipment and materials:
 - *personal protective equipment*
 - *bible cleaning equipment*
 - *bibles for processing*
 - *knife and sharpening equipment*
- specifications:
 - *customer specifications*
 - *task-related documents*
- personnel:
 - *access to workplace supervisor or mentor.*

Assessment for this unit must include at least three forms of evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.

Mandatory workplace requirements

Mandatory workplace requirements are shown in *italic* text. Refer to the Companion Volume Implementation Guide for further information.
