Assessment Requirements for AMPPKG208 Complete re-pack operation

Modification History

Release	Comments
2	This version was released in AMP Australian Meat Processing Training Package Release 9.2. Updated to show Mandatory workplace requirements in <i>italic</i> text.
1	This unit of competency was first released in AMP Australian Meat Processing Training Package Release 9.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has re-packed a minimum of one carton, following workplace requirements.

There must also be evidence that the individual has completed two shifts on the job, fulfilling workplace requirements (these shifts may include normal rotations into and out of the relevant work task).

Mandatory workplace requirements

All performance evidence specified above must be demonstrated in a meat processing premises.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- workplace requirements for re-packing operations
- typical reasons for re-packing
- consequences of incorrectly re-packing
- documentation requirements for re-pack operations
- re-pack procedures
- possible types of contamination and cross-contamination and preventative measures
- hazards associated with re-packing meat and how the associated risks are controlled.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - *skills must be demonstrated in a meat processing premises at workplace production speed*
- resources, equipment and materials:
 - *personal protective equipment*
 - *meat cartons for re-packing*
 - *packing consumables*
- specifications:
 - *task-related documents*
- personnel:
 - *access to workplace supervisor or mentor.*

Assessment for this unit must include at least three forms of evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.

Mandatory workplace requirements

Mandatory workplace requirements are shown in *italic* text. Refer to the Companion Volume Implementation Guide for further information

Link

Companion volumes, including implementation guides, are found on the national training register - <https://training.gov.au/training/details/AMP>.
