Assessment Requirements for AMPQUA413 Specify sheep product using AUS-MEAT language

Release: 1

Assessment Requirements for AMPQUA413 Specify sheep product using AUS-MEAT language

Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 8.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has specified sheep products using AUS-MEAT language for products on at least one occasion, including:

- identified anatomical features of the sheep carcass
- assessed a minimum of ten sheep meat products using the AUS-MEAT language
- undertaken measurements and checked against specification requirements
- identified non-conforming products.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- anatomical features of a sheep carcass
- sheep meat primal cut names
- correct cutting lines for products and the correct anatomical terms for describing them
- sections of the workplace quality assurance (QA) system related to ensuring sheep product compliance with AUS-MEAT product description requirements
- corrective action procedures for non-conforming product
- product point of specification
- AUS-MEAT language used in sheep meat product specifications.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:

- skills must be demonstrated in a meat processing workplace or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - sheep carcase
 - sheep meat products
- specifications:
 - AUS-MEAT sheep meat product descriptions
 - sheep meat product specifications
 - workplace procedures, including advice on safe work practices, meat safety and quality.

Assessment for this unit must include at least three forms of evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
