Assessment Requirements for AMPQUA423 Participate in the ongoing development and implementation of a HACCP based QA system

Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 8.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has participated in the ongoing development and implementation of a Hazard Analysis and Critical Control Points (HACCP)-based quality assurance (QA) system, using an existing and approved HACCP plan, including:

- monitored critical control points (CCPs)
- recorded and analysed monitoring and verification data
- verified and validated CCPs and critical limits
- developed and implemented changes in a HACCP-based QA system.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- objectives of a HACCP-based QA system
- the process for validating critical limits and CCPs
- the role of prerequisite programs and good manufacturing practices (GMPs) in a HACCP-based program
- the process of auditing and verifying a HACCP-based QA system
- the steps involved in developing a HACCP-based QA system
- the steps involved in systematically introducing a HACCP-based QA system
- the documentation required to support a HACCP-based QA system.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a meat processing premises or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - real monitoring data
 - HACCP-based QA system
- specifications:
 - HACCP plan for the work area that identifies CCPs, control measures and corrective actions
- relationships:
 - interactions with work team.

Assessment for this unit must include at least three forms of evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
