Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 8.0.

Description

This skill set is designed to cover the skills and knowledge required to work with individuals who are new to working in meat processing, to assist workers to adjust to the working environment and ultimately promote retention of workers.

Pathways Information

These units of competency provide credit towards a number of qualifications in the AMP Australian Meat Processing Training Package, including AMP30622 Certificate III in Meat Processing.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

- AMPPPL301 Provide coaching
- AMPPPL302 Provide mentoring
- TAEASS311 Contribute to assessment
- TAEDEL311 Provide work skill instruction

Target Group

This skill set is for experienced workers employed in meat processing operations, who have the capacity to buddy or mentor a new worker, to assist that person to adjust to working in meat processing.

Suggested words for Statement of Attainment

These competencies from the *AMP Australian Meat Processing Training Package*, meet the requirements for those who carry out mentoring, or coaching work, in the meat processing industry.
