Assessment Requirements for AMPX314 Handle meat product in cold stores

Release: 1

Assessment Requirements for AMPX314 Handle meat product in cold stores

Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 4.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has:

- recorded temperature and adjusted where necessary
- stored meat product:
 - hygienically to minimise contamination and damage
 - according to workplace health and safety requirements
- moved meat product:
 - hygienically to minimise contamination and spoilage
 - according to workplace health and safety requirements
- reported issues and carton, container or label damage or missing labels.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- temperature requirements for storing chilled and frozen meat product
- cooling rates of product and how they can be stored in relation to other products
- workplace customer specifications
- workplace policies and procedures for:
 - hygiene and sanitation
 - work health and safety
 - reporting carton, container or label damage.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a cold store facility handling chilled and frozen meat products
- resources, equipment and materials:
 - appropriate personal protective equipment
- specifications:
 - workplace documents such as policies, procedures, processes and forms
 - work instructions and standard operating procedures
 - customer requirements.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
