Assessment Requirements for AMPX429 Develop and implement a TACCP and VACCP plan

Release: 1

Assessment Requirements for AMPX429 Develop and implement a TACCP and VACCP plan

Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 4.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that on at least one occasion the individual has:

- participated in a Threat Assessment and Critical Control Points (TACCP) and Vulnerability Assessment and Critical Control Points (VACCP) team
- identified and assessed the threats to the organisation, key staff, operations and products
- undertaken assessments of a site's vulnerability to food fraud, and put plans in place to mitigate the risks
- documented and reviewed plans.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- potential vulnerabilities in the food chain for deliberate adulteration or substitution
- potential risks to products from deliberate attempts to inflict damage or contamination
- where to access information on historical or developing threats of food fraud to the supply chain
- how to undertake a risk assessment
- how to document and maintain records
- auditing requirements for external stakeholders
- the business and current procedures
- Hazard Analysis and Critical Control Points (HACCP) systems and procedures.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- resources, equipment and materials:

- relevant workplace procedures and policies, including the food safety plan, HACCP plans, etc.
- specifications:
 - access to database containing food defence plan and food fraud mitigation plan
 - relevant information on external auditing requirements
- a minimum of three different forms of assessment must be used, these may include:
 - workplace referee
 - workplace project
 - quiz
- evidence of relationships:
 - client(s)
 - suppliers
 - senior management
 - auditors.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
