AUR32220 Certificate III in Automotive Glazing Technology

Release 1

AUR32220 Certificate III in Automotive Glazing Technology

Modification History

Release	Comments
Release 1	This version first released with AUR Automotive Retail, Service and Repair Training Package Version 6.0

Qualification Description

This qualification reflects the role of individuals who remove, install, repair and manage glazing technical operations of cars and other vehicles in the automotive industry.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Nil.

Packaging Rules

Total number of units = 30

15 core units, plus

15 elective units, of which:

- all **15 units** may be from the elective units listed below
- up to **6 units** may be from a Certificate II qualification or above in this Training Package or another endorsed Training Package or accredited course.

Elective units chosen must be relevant to the work environment and the qualification, maintain the overall integrity of the AQF alignment, not duplicate the outcome of another unit chosen for the qualification, and contribute to a valid vocational outcome.
