**AUR32320 Certificate III in Automotive  
and Marine Trimming Technology**

# AUR32320 Certificate III in Automotive and Marine Trimming Technology

## Modification History

Release	Comments
3	Superseded elective units updated
2	This version first released with AUR Automotive Retail, Service and Repair Training Package Version 7.0.  AURVTT119 Fabricate and install automotive and marine frames, canopies and side curtains supersedes and is equivalent to AURVTT019 Fabricate and install automotive and marine frames, canopies and side curtains.
1	This qualification was first released in AUR Automotive Retail, Service and Repair Training Package Release 6.0.

## Qualification Description

This qualification reflects the role of individuals who manufacture, repair and maintain trim components of a range of motor vehicles, marine craft, recreational and other vehicles in the automotive industry.

## Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

Nil.

## Packaging Rules

Total number of units = 30

**12 core units**, plus

**18 elective units**, of which:

- all **18** units may be from the elective units listed below

- up to **5** units may be from a Certificate II qualification or above in this Training Package or another endorsed Training Package or accredited course.

Elective units chosen must be relevant to the work environment and the qualification, maintain the overall integrity of the AQF alignment, not duplicate the outcome of another unit chosen for the qualification, and contribute to a valid vocational outcome.

- **Core Units**

- AURAEA002 Follow environmental and sustainability best practice in an automotive workplace
- AURAMA001 Work effectively with others in an automotive workplace
- AURASA102 Follow safe working practices in an automotive workplace
- AURTTK102 Use and maintain tools and equipment in an automotive workplace
- AURVTN135 Apply original equipment manufacturer repair procedures during vehicle repairs
- AURVTS006 Fabricate automotive and marine trim components
- AURVTT002 Carry out repairs and alterations to automotive and marine trim
- AURVTT003 Remove and replace automotive and marine interior trim components
- AURVTT004 Trim vehicle components
- AURVTT005 Select trim and fabric materials
- AURVTT012 Conduct sewing operations
- AURVTT121 Select and apply adhesives in automotive and marine service and repair work

- **Elective Units**

- AUMGTG001 Install fixed and moveable glass components on vehicles
- AUMGTS004 Fabricate parts for vehicle sub-assemblies
- AURAAA002 Determine retail rates for automotive products and services
- AURAF A002 Read and respond to automotive workplace information
- AURAF A104 Resolve routine problems in an automotive workplace
- AURATA005 Estimate and quote automotive mechanical and electrical repairs
- AURETH011 Depower and reinitialise hybrid electric vehicles
- AURETH101 Depower and reinitialise battery electric vehicles
- AURETR006 Solder electrical wiring and circuits
- AURETR008 Remove and replace electrical units and assemblies
- AURETR010 Repair wiring harnesses and looms
- AURETR026 Remove, replace and program electrical and electronic units and assemblies

- AURETR125 Test, charge and replace batteries and jump-start vehicles
- AURETR132 Diagnose and repair automotive electrical systems
- AURVTA002 Remove and replace vehicle supplementary restraint systems
- AURVTN111 Remove and install vehicle rear vision mirrors
- AURVTP002 Mask vehicle panels and components
- AURVTP005 Apply rust prevention and sound deadening materials to vehicle body components
- AURVTP008 Clean and polish vehicle paint surfaces
- AURVTP019 Prepare and paint plastic and composite vehicle surfaces
- AURVTP107 Touch up minor vehicle paintwork damage
- AURVTS104 Repair vehicle composite material components
- AURVTT009 Remove and replace vehicle and vessel seats and fittings
- AURVTT010 Remove and manufacture or repair vehicle head lining
- AURVTT013 Fabricate and fit loose and fitted covers to vehicle seats and components
- AURVTT014 Fabricate and fit marine covers
- AURVTT015 Fabricate and install canvas products for automotive and marine components
- AURVTT017 Fabricate and install automotive and marine floor coverings
- AURVTT018 Fabricate and install automotive and marine soft top hoods
- AURVTT119 Fabricate and install automotive and marine frames, canopies and side curtains
- AURVTT020 Select and use leather in automotive and marine trimming
- AURVTV001 Remove, replace and test non-electrical vehicle components and accessories
- AURVTW006 Carry out thermoplastic welding on vehicle trim components
- AURVTW103 Carry out advanced gas metal arc welding on vehicle body sections
- MSFUP3015 Apply traditional foundations to upholstered furniture
- MSTLG3001 Make a prototype
- MSTTF2019 Cut and form metal
- MSTTF2021 Stitch by hand
- MSTTF3014 Install manufactured textile products
- MSTGN3023 Estimate and cost jobs
- TAED311 Provide work skill instruction

## Pre-requisite Requirements

There are no prerequisite requirements for this qualification.
