AURMLA001 Apply motor sport rules and regulations when officiating

Release: 1

AURMLA001 Apply motor sport rules and regulations when officiating

Modification History

Release	Comment
Release 1	New unit of competency.

Application

This unit describes the performance outcomes required to apply the relevant rules and regulations of a motor sport event when acting as an official or volunteer at the event. It requires an understanding of the consequences of not following event rules and regulations. It includes the application of some basic strategies to prevent and/or deal with minor disputes regarding decisions made.

It applies to those working in the motor sport industry.

No licensing, legislative, regulatory or certification requirements apply to this unit at the time of publication.

Competency Field

Motor Sport

Unit Sector

Regulatory or Legal

Elements and Performance Criteria

Elements	Performance Criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold and italicised text is used, further information is detailed in the range of conditions section.
1. Assess motor sport event conditions	1.1 Event documentation is read and interpreted, including category rules and supplementary regulations 1.2 Participant status and criteria for event or competition are assessed

Elements	Performance Criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold and italicised text is used, further information is detailed in the range of conditions section.

Assessment Requirements for AURMLA001 Apply motor sport rules and regulations when officiating

Modification History

Release	Comment
Release 1	New unit of competency.

Performance Evidence

Before competency can be determined, individuals must demonstrate they can perform the following according to the standards defined in this unit's elements, performance criteria, range of conditions and foundation skills:

- officiate at two different motor sport events, in which the work must involve determining and applying decisions regarding rules and regulations.

Knowledge Evidence

Individuals must be able to demonstrate knowledge of:

- work health and safety (WHS) and occupational health and safety (OHS) requirements relating to acting as an official at a motor sport event, including procedures for identifying hazards and managing risks
- motor sport events in performance evidence, including:
 - organisational structures of events, including authority and communication lines
 - category rules and supplementary regulations of events
- motor sport officiating, including:
 - responsibilities and tasks of officials, and protocols for communicating with other officials
 - processes and procedures relating to appeals and inquiries of officiating decisions
 - basic conflict management techniques
 - personal preparation, resources and equipment required for officiating
- key requirements of motor sport rules and regulations for above events, including:
 - current edition of the relevant National Competition Rules (NCR)
 - supplementary regulations for motor sport events or competitions
 - policies and procedures of Federation Internationale de l'Automobile (FIA) and Federation Internationale Motocycliste (FIM)

- Australian Sports Commission Code of Conduct
- applicable commonwealth, state or territory legislation, regulations, standards and codes of practice relating to motor sport officiating, including safety and environmental legislation and regulations
- organisational policies and procedures relating to event and officiating role, including:
 - emergency response
 - reporting and recording procedures
 - planning processes for event.

Assessment Conditions

Assessors must satisfy NVR/AQTF assessor requirements.

Competency is to be assessed in the workplace or a simulated environment that accurately reflects performance in a real workplace setting.

Assessment must include direct observation of tasks.

Where assessment of competency includes third-party evidence, individuals must provide evidence that links them to having applied rules and regulations while officiating at a motor sport event or competition, e.g. event sign-on sheet.

Assessors must verify performance evidence through questioning on skills and knowledge to ensure correct interpretation and application.

The following resources must be made available:

- two different motor sport events
- motor sport event officiating documentation, rules and regulations, safety procedures and event procedures, including:
- current edition of the relevant National Competition Rules (NCR)
- supplementary regulations for motor sport events or competitions
- FIA and FIM policies and procedures
- Australian Sports Commission Code of Conduct.
