AVI10116 Certificate I in Aviation (Foundation Skills)

Release: 1

AVI10116 Certificate I in Aviation (Foundation Skills)

Modification History

Release 1. This is the first release of this qualification in the AVI Aviation Training Package.

Qualification Description

This qualification provides individuals with technical and non-technical aviation skills to operate effectively in a range of entry level aviation roles.

Individuals working at this level will apply knowledge and skills to demonstrate autonomy in highly structured and stable aviation operating contexts within narrow parameters.

Licensing, legislative, regulatory and certification requirements that apply to this qualification can vary between states and territories. Compliance with these requirements may be required nationally and/or in various jurisdictions.

Use for Defence Aviation is to be in accordance with relevant Defence Orders, Instructions, Publications and Regulations.

Entry Requirements

There are no entry requirements for this qualification.
