**Release 1**

# AVI50322 Diploma of Aviation (Commercial Pilot Licence - Helicopter)

## Modification History

Release 1. This is the first release of this qualification in the AVI Aviation Training Package.

## Qualification Description

This qualification reflects the roles of flight crew personnel performing normal and emergency commercial pilot duties in support of commercial or Defence aviation flight operations.

Flight crew duties include applying technical and non-technical aviation skills and knowledge to a wide range of air transport operations, including passenger, charter and cargo operations.

Individuals working at this level will apply knowledge and skills to demonstrate autonomy, judgement and defined responsibility in known or changing contexts and within broad but established parameters.

This qualification forms some of the requirements for certification as a commercial pilot by the Civil Aviation Safety Authority (CASA) as directed by Civil Aviation Safety Regulation (CASR) Part 61 Flight crew licensing.

People seeking certification should check these requirements with CASA.

### Occupations include:

- Commercial helicopter pilot
- Military helicopter pilot.

## Entry Requirements

Commercial or military pilot entrants to this qualification should check requirements with CASA or Defence aviation for specific pilot entry standards.
