AVI60119 Advanced Diploma of Aviation (Chief Flight Instructor)

Release 1

AVI60119 Advanced Diploma of Aviation (Chief Flight Instructor)

Modification History

Release 1. This is the first release of this qualification in the AVI Aviation Training Package.

Qualification Description

This qualification reflects the roles of experienced flight instructors delivering training and assessment services usually within aviation Registered Training Organisations (RTOs) or flight training organisations. They may have a role in leading other flight instructors and flight examiners, and in providing mentoring or advice to new flight instructors and flight examiners, as well as designing approaches to learning and assessment strategies across a significant area within the flight training organisation.

Flight instruction duties include applying technical and non-technical aviation and vocational skills and knowledge involving a wide range of learners, operating conditions and aviation environments.

Individuals working at this level will apply knowledge and skills to demonstrate autonomy, judgement and defined responsibility in known or changing contexts within broad but established parameters.

This qualification forms some of the requirements for certification as a flight instructor by the Civil Aviation Safety Authority (CASA) as directed by Civil Aviation Safety Regulation (CASR) Part 61 Flight crew licensing.

People seeking certification should check these requirements with CASA.

Occupations include:

- Flight Instructor – Grade 1
- Chief Flight Instructor (CFI)
- Chief Pilot (CP)
- Flight Examiner (FE)
- Head of Operations (HOO)
- Qualified Flying Instructor - Military

Entry Requirements

Entrants to this qualification should check requirements with CASA for certification and/or flight hour requirements or be able to demonstrate equivalent competence.
