| AVIY4061A                                                                                                                                                                                                                                                                                                                                                                                            | Perform aerobatic manoeuvres                   |
| AVIY4062A                                                                                                                                                                                                                                                                                                                                                                                            | Perform an aerobatic sequence                  |
| AVIY4066A                                                                                                                                                                                                                                                                                                                                                                                            | Control aircraft in advanced flight manoeuvres |
| Pathway                                                                                                                                                                                                                                                                                                                                                                                              |                                                |
| The Skill Set is to be undertaken in addition to either the Certificate IV in Aviation (Commercial Pilot Aeroplane Licence) or Certificate IV in Aviation (Commercial Pilot Helicopter Licence) and targets those pilots who work specifically in the Aerobatic Pilot operational environment.                                                                                                       |                                                |
| Suggested words for Statement of Attainment                                                                                                                                                                                                                                                                                                                                                          |                                                |
| These competencies from the AVI08 Aviation Training Package meet the needs of Aerobatic Pilots. The competencies are drawn from nationally endorsed Training Packages, and provide the skills and knowledge required by persons working as an Aerobatic Pilot in the aviation operational environment. Licensing, legislative, regulatory or certification requirements are applicable to this unit. |                                                |
