## Target Group

**Target Group:**

This is a Skill Set covering a range of support roles in the Helicopter operational environment including: ground support personnel, maintenance personnel, emergency services occupations, airborne observer and other roles not related to flight crew.

## Suggested words for Statement of Attainment

**Suggested words for Statement of Attainment**

These competencies meet the needs of the Aviation Operator. The competencies are drawn from nationally endorsed Training Packages, and provide the skills and knowledge required by persons working as aviation operators in the Helicopter operational environment.
