**Release: 1**

# AVISS00025 Use and Maintain Minor Mechanical Equipment Skill Set

## Modification History

Not applicable.

## Description

Not applicable.

## Pathways Information

The Skill Set may be undertaken in addition to the Certificate III in Aviation (Remote Pilot), or achieved separately.

## Licensing/Regulatory Information

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

## Skill Set Requirements

A total of 1 unit of competency must be completed.

| Unit      |                                             |
|-----------|---------------------------------------------|
| TLIB2029B | Use and maintain minor mechanical equipment |

## Target Group

This is a Skill Set covering roles involved in using and maintaining minor mechanical equipment within the aviation environment.

## **Suggested words for Statement of Attainment**

This competency from the TLI10 Transport and Logistics Training Package meets the needs of personnel involved in using and maintaining minor mechanical equipment as part of their broader job role in aviation. The competency is drawn from a nationally endorsed Training Package, and provides the skills and knowledge required to use and maintain minor mechanical equipment relevant to aviation operations.
