Assessment Requirements for BSBATSIM412 Implement a businesslike approach

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- apply an integrated demonstration of all elements of competency and their performance criteria
- assist the organisation to become more businesslike and self-sufficient.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- describe cultural context in which Aboriginal and Torres Strait Islander boards operate, including their role in upholding traditional and cultural values, and how that might impact the conduct of community meetings
- describe consensus decision-making principles
- explain geographic, social, economic and political contexts in which particular organisations operate and how these may impact the conduct of community meetings
- list provisions of federal, state or territory legislation as legal entities and funding recipients which influence decision-making
- outline relevant business processes
- outline relevant organisational processes
- identify sources of business support services.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the regulation, licensing and risk – ATSI governance field of work and include access to:

- an actual or simulated board
- community issues relevant to boards of governance.

Assessors must satisfy NVR/AQTF assessor requirements.
