Assessment Requirements for BSBCUS403 Implement customer service standards

Release: 2

Assessment Requirements for BSBCUS403 Implement customer service standards

Modification History

Release	Comments
Release 2	This version released with BSB Business Services Training Package Version 2.0. Version created to clarify assessment conditions
Release 1	This version first released with Business Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- access, interpret, apply and monitor customer service standards
- demonstrate compliance with customer service system and standards
- make contributions to improving or adapting customer service standards to better meet the needs of the organisation and the customers
- review and analyse customer feedback and make recommendations to address issues raised, including identifying the resources required
- make adjustments to improve customer service procedures including:
 - identifying and responding to problems
 - communicating with and encouraging staff
- coordinate and manage delivery of services and products to meet standards including:
 - planning and implementing team work activities
 - managing resources.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- have detailed product / service knowledge
- explain the rights and responsibilities of customers and relevant consumer law
- outline models of customer service

- explain relevant organisational procedures and standards for customer service standards and relationships.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the customer service field of work and include access to:

- office equipment
- business technology
- workplace documents and policies and procedures
- customer feedback
- consumer protection laws and regulations
- case studies and, where possible, real situations
- interaction with others.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
