Assessment Requirements for BSBESB305 Address compliance requirements for new business ventures

Release: 1

Assessment Requirements for BSBESB305 Address compliance requirements for new business ventures

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- implement procedures to address at least two different compliance requirements for a business or new business venture.

In the course of the above, the candidate must:

- identify, select and access sources of advice on compliance and risk minimisation procedures
- identify regulatory, taxation and insurance compliance requirements, and risk minimisation needs.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- regulatory, taxation and insurance compliance information, and specialist advice and services in relation to operation of new business ventures, including:
 - industry codes of practice and standards
 - registration and licensing
 - work health and safety (WHS) requirements and responsibilities
 - required insurances
- workplace procedures that support compliance of new business venture, including for:
 - selecting and accessing specialist advice and services
 - arranging business insurance cover
- key components of compliance procedures:
 - following taxation and industrial relations principles
 - updating and maintaining legal documents
 - investigating areas of non-compliance

- monitoring provision of products and/or services
- taking corrective action where necessary.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- business technology, including internet access for research
- legislation, regulations, codes of practice and standards relating to compliance requirements described in performance evidence
- workplace procedures and resources relevant to performance evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
