BSBINS201 Process and maintain workplace information

Release: 1

BSBINS201 Process and maintain workplace information

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Application

This unit describes the skills and knowledge required to receive, process, and store workplace information and maintain information systems. It also includes the maintenance of records management systems.

The unit applies to individuals who perform a variety of routine tasks in the workplace, using a limited range of practical skills and fundamental knowledge of information and information systems in a defined context, under direct supervision or with limited individual responsibility.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Technical Skills – Information Services

Elements and Performance Criteria

ELEMENT	PERFORMANCE CRITERIA
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Collect information	1.1 Confirm task requirements 1.2 Collect physical and digital information items 1.3 Allocate time and date of receipt to relevant information items 1.4 Apply organisational policies and procedures relating to security and confidentiality in handling information
2. Process workplace information	2.1 Enter metadata applying to information items into relevant system according to organisational policies and procedures 2.2 Collate and distribute information according to task requirements

ELEMENT	PERFORMANCE CRITERIA
3. Assessment Requirements for BSBINS201 Process and maintain workplace information

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- receive and process three pieces of workplace information according to organisational policies and procedures.

In the course of the above, the candidate must:

- record and document information accurately
- store, classify and maintain information materials.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- organisational policies and procedures relating to collecting and processing workplace information
- key aspects of organisational information items management systems and security and confidentiality procedures.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- examples of workplace information systems.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
