BSBOPS201 Work effectively in business environments

Release: 1

BSBOPS201 Work effectively in business environments

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Application

This unit describes the skills and knowledge required to work effectively in business environments. It includes identifying and working to organisational standards, managing workload and working as part of a team.

The unit applies to those who work in a broad range of settings. These individuals typically work under some supervision and guidance.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Business Competence – Business Operations
