Assessment Requirements for BSBOPS403 Apply business risk management processes

Release: 1

Assessment Requirements for BSBOPS403 Apply business risk management processes

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to apply organisational policies, procedures and processes to:

- treat at least three risks by:
 - identifying different types of organisational risks
 - consulting with stakeholders to analyse and evaluate risks
 - implementing control measures
 - referring risks that are beyond own area of responsibility to others
 - maintaining risk management documentation.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- legislative and regulatory context of the organisation in relation to risk management
- techniques for identifying and evaluating risks
- organisational policies and procedures for risk management
- areas where risks are commonly identified in an organisation
- risks beyond scope of individual responsibility to be referred to relevant organisational personnel
- purpose and key elements of current risk management standards.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- legislation, regulations, standards and codes relating to business risk

- workplace documentation on selected organisational risks.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
