Assessment Requirements for BSBPUB504 Develop and implement crisis management plans

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- develop, distribute and implement a crisis management plan that complies with organisational, ethical and legal requirements
- work with others to evaluate a crisis management plan and make necessary amendments.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- explain the key provisions of legislation, codes of practice and national standards that affect crisis management
- explain the components of a crisis management plan
- explain the relevance of media management to a crisis management plan.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the public relations field of work and include access to:

- office equipment and resources
- examples of crisis management planning and evaluation documents
- case studies and, where possible, real situations
- interaction with others.

Assessors must satisfy NVR/AQTF assessor requirements.
