Release	Comments
Release 2	This version released with BSB Business Services Training Package Version 2.0. Version created to update Pathways
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Description

This Skill Set reflects the role of individuals working as developing and emerging leaders in a range of contexts.

Leadership often begins at the team leader level across a wide range of enterprise and industry contexts. Team leaders communicate effectively, ensure team performance and develop effective relationships in the workplace. Across the breadth of industry, team leaders are responsible for implementing operational plans.

Pathways Information

The units provide credit towards BSB42015 Certificate IV in Leadership and Management.

Licensing/Regulatory Information
