Assessment Requirements for BSBTEC301 Design and produce business documents

Release: 1

Assessment Requirements for BSBTEC301 Design and produce business documents

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- design, produce and finalise four different types of business documents, using at least two different software applications.

In the course of the above, the candidate must:

- comply with organisational policies and procedures for producing business documents
- adhere to task requirements when producing documents including:
 - applying basic design principles
 - applying consistent formatting
 - using appropriate styles
 - using correct layouts
 - proofreading
- use required data storage options.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- technology required to produce document
- key functions and features of contemporary computer applications
- organisational policies and procedures
- organisational requirements for document design, including style guide.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- workplace equipment and resources
- relevant software applications
- style guide
- organisational policies and procedures.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
