CHC42121 Certificate IV in Community Development

Release 1

CHC42121 Certificate IV in Community Development

Modification History

Not applicable.

Qualification Description

This qualification reflects the role of community services workers who assist in the delivery of programs that contribute to the development of community capacity through public social change processes.

At this level, work takes place within a professional team under the guidance of others, to support development within the community. Work may be undertaken in organisations working across a range of social, health, environment, economic, arts and culture and recreation sectors.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

15 units must be completed:

- 8 core units
- 7 elective units, consisting of:
