Qualification Description

This qualification reflects the role of workers with responsibility for designing, implementing and evaluating health and leisure activities, and programs for clients in one or more sector areas. Work may be in residential facilities and/or in community agencies and day centres. Workers work under supervision or as sole practitioners and may be required to plan, coordinate and evaluate other workers and work teams within broad but generally well-defined guidelines.

To achieve this qualification, the candidate must have completed at least 240 hours of work as detailed in the Assessment Requirements of the units of competency.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.
