Qualification Description

This qualification reflects the role of child protection workers who provide specialist services to clients with complex and diverse needs, and act as a resource for other workers. Workers at this level use critical thinking, communication and evaluation skills and make complex judgements in specialist contexts as part of a collaborative team. Their role involves service planning, delivery and evaluation and may include responsibility and accountability for the work of both self and others.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.
