Release 2

CHC82015 Graduate Certificate in Client Assessment and Case Management

Modification History

| Release | Comments |
|-----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Release 2 | This version was released in <i>CHC Community Services Training Package release 3.0</i> . Units of competency updated (see mapping at www.cshisc.com.au). Equivalent outcome. |
| Release 1 | This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to core units. Change in packaging rules. |

Qualification Description

This qualification reflects the role of those workers who are advanced practitioners in a health and/or community services context and who require a high level of knowledge and skills in case management in order to provide specialist services to clients with complex and diverse needs.

Workers at this level are required to demonstrate autonomy, well-developed judgement, adaptability and responsibility.

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.

Entry Requirements

A minimum 3 year tertiary qualification or equivalent in an associated field

Packaging Rules
