Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- completed at least 3 effective sessions with people who require support to access public transport, documenting the outcomes of travel experiences

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- current practices, philosophies and theories, including:
 - the social model of health
 - the impact of social devaluation on an individual's quality of life
 - competency and image enhancement as a means of addressing devaluation
 - practices which focus on the individual person
 - strengths-based practice
 - active support
 - person-centred practice
- range of travel information available, including the use of applications, social media and other information technology (IT) sources
- local transport options and operations

Assessment Conditions

Skills must have been demonstrated in the workplace with the addition of simulations and scenarios where the full range of contexts and situations has not been provided in the workplace. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources including access to printed timetables and travel information presented as applications, websites or in other digital formats

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
