Assessment Requirements for CHCCCS026 Transport individuals

Release: 1

Assessment Requirements for CHCCCS026 Transport individuals

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Minimal change to the elements and performance criteria. New evidence requirements for assessment including volume and frequency requirements. Significant changes to knowledge evidence.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- transported 3 people with different transportation requirements to correct destination according to safe working practices

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- organisation policies and procedures, including:
 - infection control
 - for securing a person, including a wheelchair
- legal and ethical considerations for transporting individuals and how these are applied in an organisation and individual practice, including:
 - duty of care
 - human rights
 - privacy, confidentiality and disclosure
 - work role boundaries – responsibilities and limitations
 - work health and safety, including manual handling
- issues that need to be referred to an appropriate health professional
- correct transportation of equipment, including:
 - wheelchair

- stretcher
- trolley
- bed
- intra-venous (IV) stands
- oxygen

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including vehicle or equipment used for transporting people
- equipment to be transferred with the person modelling typical workplace conditions and contingencies, including:
 - physical and/or behavioural contingency scenarios involving duty of care
 - personal belongings of person being transported
 - involvement of real people and equipment when transporting

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015 /AQTF mandatory competency requirements for assessors.
