Assessment Requirements for CHCCDE005 Develop and support relevant community resources

Release: 1

Assessment Requirements for CHCCDE005 Develop and support relevant community resources

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to performance criteria New evidence requirements for assessment including volume and frequency requirements Significant changes to knowledge evidence

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- identified resource priorities for at least 1 specific community group and matched a range of appropriate resources to meet those priorities
- used appropriate technology to design and develop resources for at least 1 specific community group
- established networks of key people and organisations and participated in at least 1 meeting
- documented and stored information in line with organisation policies and procedures

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- social, political, cultural and historical issues that affect or are relevant to specific communities and groups
- relevant legal and organisation policies and procedures regarding resources, including copyright and confidentiality
- a range of media, resources and techniques used to develop community resources
- specific client community groups, including:
 - group composition
 - specific community and group structures

- practices and values
- cultural preferences
- social issues relevant to the specific group
- health issues relevant to the specific group
- relevant networks, people and stakeholders
- specific communication protocols and practice

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modeling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
