Assessment Requirements for CHCCDE007 Develop and provide community projects

Release: 1

Assessment Requirements for CHCCDE007 Develop and provide community projects

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to performance criteria New evidence requirements for assessment including volume and frequency requirements Significant changes to knowledge evidence

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- developed, delivered and evaluated at least 1 project plan, including identifying and matching resources with activities to address community needs and priorities

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- relevant legislation and public policies
- social, community and youth issues
- principles of designing and developing a community program, including:
 - community priorities assessment and analysis
 - asset mapping
 - goals and objectives for project
 - resource availability
 - strategies and actions needed to achieve goals
 - accountability requirements
 - resources and support within the community
- decision-making structures and processes at organisation, community, regional and system level

- organisation policies and procedures for dealing with the media

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modelling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
