Assessment Requirements for CHCCDE013 Establish and develop community organisations or social enterprises

Release: 1

Assessment Requirements for CHCCDE013 Establish and develop community organisations or social enterprises

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to performance criteria New evidence requirements for assessment including volume and frequency requirements Significant changes to knowledge evidence

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- developed a business plan for at least 1 community organisation or social enterprise based on identified community priorities, abilities and market place need

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. These include knowledge of:

- relevant national and state legislation
- community organisation models:
 - Government funded
 - Fee for service
 - Social enterprise
- sources of funding, including:
 - federal, state/territory and local government funding sources
 - philanthropic agencies
 - private business and sponsorship
 - requests, donations and other private grants
 - fees for services
- contemporary economics and politics and their impact on community development

- organisation design and management principles
- community services and health networks and stakeholders
- principles of project management, including:
 - consultation, participation and research methodologies
 - project planning process

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modelling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
