Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to performance criteria. New evidence requirements for assessment including volume and frequency requirements. Significant changes to knowledge evidence.

Application

This unit describes the skills and knowledge to apply specific communication techniques to establish, build and maintain relationships with clients, colleagues and other stakeholders based on respect and trust.

This unit applies to work across a range of workplace contexts where workers at all levels may communicate with individuals and/or groups both in person and in writing.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.
