Assessment Requirements for CHCCSM001 Facilitate goal directed planning

Release: 1

Assessment Requirements for CHCCSM001 Facilitate goal directed planning

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to performance criteria New evidence requirements for assessment including volume and frequency requirements Significant changes to knowledge evidence

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- collaborated with at least 3 different clients to facilitate goal directed planning for provision of services and resources aimed at maximising and enhancing their strengths, independence and quality of life

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- literature on models and practices in goal-directed planning and current research in area of practice
- range of services, networks, resources and holistic solutions available to clients with complex needs
- components of service delivery system
- gaps in the service system
- characteristics and needs of identified client population
- significance of the service setting, including working in the client's home
- organisation policies and practices relating to planning
- legal and ethical considerations relevant to developing plans and how these are applied in organisations and individual practice:
 - professional standards

- code of ethics
- duty of care
- voluntary assumption of risk
- informed consent
- documentation requirements and practices
- principles of:
 - beneficence
 - non-maleficence
 - social justice
 - autonomy
 - advocacy
- natural supports, including family, friends and neighbours

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including individualised case plans
- modelling of industry operating conditions, including:
 - scenarios that reflect standard operating conditions and contingencies
 - links to other local service agencies or organisations

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
