Assessment Requirements for CHCDEV005

Analyse impacts of sociological factors on people in community work and services

Release: 1

Assessment Requirements for CHCDEV005 Analyse impacts of sociological factors on people in community work and services

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- provide community services to at least three people based on socio-cultural information gathered
- monitor and review ongoing effectiveness of services provided
- for one of the above people:
 - revise services provided in consultation with supervisor, to enhance person's outcomes and address their social and cultural issues
- perform the activities outlined in the performance criteria of this unit during a period of at least 100 hours of work within a workplace. These hours cannot be completed concurrently with hours specified in any other unit of competency.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- major social and cultural institutions in Australian society and their societal functions
- factors contributing to person's experiences of inequality and the possible effects and consequences on their role in society
- effects and consequences of unemployment on people in our society
- contemporary frameworks and influences underpinning social and sociological policy
- political and economic theory and systems
- concepts of inequality and how they impact on people in our society
- beliefs about stratifications in our society, and the ways in which stereotypes develop and their impact
- policy decisions and their impact on community work
- organisational policies and procedures.

Assessment Conditions

Skills must be demonstrated in the workplace, with the addition of simulations and scenarios where the full range of contexts and situations have not been provided in the workplace.

Assessment must ensure:

- access to facilities, equipment and resources that reflect real working conditions and model industry operating conditions and contingencies
- access to organisational standards, policies and procedures
- opportunities for engagement with real people utilising community services.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
