Assessment Requirements for CHCDEV006 Analyse information for service planning and delivery

Release: 1

Assessment Requirements for CHCDEV006 Analyse information for service planning and delivery

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- source and analyse information for at least three people in the context of planning and delivering community services including:
 - interpreting test results and reports
 - reviewing social, psychological and developmental issues
- plan and deliver services suitable to meet the needs and circumstances of the above three people, in line with:
 - organisational policies, procedures and processes
 - level of persons' engagement and community involvement
- implement, monitor and review services for at least three people.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- stages of behavioural development and their potential effects
- indicators of mental, physical, emotional and social difficulties
- indicators of trauma
- standard tests used to measure and review individual capacity and function and how to interpret
- factors that may impact on the individual at identified
- legislative requirements and obligations relating to delivery of community services, including mandatory notification issues and child protection policy
- detailed protocols and available resources associated with service delivery and referral
- organisational policies and procedures.

Assessment Conditions

Skills must be demonstrated in the workplace, with the addition of simulations and scenarios where the full range of contexts and situations have not been provided in the workplace.

Assessment must ensure:

- access to facilities, equipment and resources that reflect real working conditions and model industry operating conditions and contingencies
- access to organisational standards, policies and procedures
- opportunities for engagement with people utilising community services.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
