Assessment Requirements for CHCDIS009 Facilitate ongoing skills development using a person-centred approach

Release: 1

Assessment Requirements for CHCDIS009 Facilitate ongoing skills development using a person-centred approach

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant change to the elements and performance criteria. New evidence requirements for assessment including volume and frequency requirements. Significant changes to knowledge evidence.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- developed, implemented and monitored ongoing skills development, using a person-centred approach, for at least 3 people with disability

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively manage tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- key aspects of current practices, philosophies and theories, including:
 - the social model of disability
 - competency and image enhancement as a means of addressing devaluation
 - strengths-based practice
 - active support
 - person-centred practice
 - rightful place in community
 - self-determination
- local community education opportunities and their potential use in capacity building
- assessment processes relating to ongoing skills development
- relevant services and resources available to people with learning needs

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. The following conditions must be met for this unit:

- access to individualised plans and any equipment outlined in the plan
- recognised assessment and planning tools

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
