Assessment Requirements for CHCDIS010 Provide person-centred services to people with disability with complex needs

Release: 1

Assessment Requirements for CHCDIS010 Provide person-centred services to people with disability with complex needs

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant change to the elements and performance criteria. New evidence requirements for assessment including volume and frequency requirements. Significant changes to knowledge evidence.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- evaluated and prioritised the needs of at least 3 people with complex support issues and developed individualised plans to meet their needs
- coordinated the delivery, monitoring, evaluation and review of at least 3 individualised plans

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively manage tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- factors that would lead to someone being classified as having complex needs rather than basic needs
- physiology and psychology as it applies to a range of disability types
- nutrition and dietetics as it applies to a range of disability types
- common issues and challenges facing people with disability
- manifestations and presentation of common health problems as well as behavioural issues associated with different disability types
- formal and informal assessment approaches for assessment of people with complex and/or special needs

- organisation policies and procedures related to developing and managing individualised plans including the role of family members and/or carers and/or relevant others and various types of community service providers

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

The following condition must be met for this unit:

- access to individualised plan and equipment outlined in the plan

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
