Modification History

Release	Comments
Release 2	Updated: • assessor requirements statement • foundation skills lead in statement • licensing statement • modification history to reflect 2012 standards Equivalent outcome.
Release 1	This version was released in <i>CHC Community Services Training Package release 1.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to elements and performance criteria. New evidence requirements for assessment, including volume and frequency requirements.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the following tasks at least once:

- checked and maintained compliance in an education and care service, including:
 - interpreting and applying the requirements outlined in the National Quality Framework in at least one education and care service
 - facilitating a self-assessment process in at least one education and care service
- developed at least one quality improvement plan, including:
 - documenting and checking information for accuracy and completeness
 - consulting with at least one other educator or service coordinator to review the plan
- performed the activities outlined in the performance criteria of this unit during a period of at least 120 hours of work in at least one regulated education and care service.

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the identified work role

These include knowledge of:

- how to access:
