Assessment Requirements for CHCEDS015 Support development of student research skills

Release: 2

Assessment Requirements for CHCEDS015 Support development of student research skills

Modification History

Release	Comments
Release 2	Updated: • assessor requirements statement • foundation skills lead in statement • licensing statement • modification history to reflect 2012 standards Equivalent outcome.
Release 1	This version was released in <i>CHC Community Services Training Package release 1.0</i> and meets the requirements of the 2012 Standards for Training Packages. Changes to application and scope of unit. New evidence requirements for assessment.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the following tasks at least once:

- worked in consultation with a teacher to determine a student's information needs, including:
 - identifying the student's requirements, assisting the student and encouraging them to collate the information in an appropriate form.

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role.

These include knowledge of:

- organisation policy in relation to assisting students in research projects
- organisation policy related to accessing external information
- sources for answering common student requests
- features of the organisation's resource centre and information management process
- bibliographic tools
- grammar, punctuation and spelling sufficient to guide student's work
- how to use digital technologies to access information
- available references
- copyright, moral rights and intellectual property, and appropriate referencing in academic work.

Assessment Conditions

Skills must be demonstrated in the workplace.

In addition, simulations and scenarios must be used where the full range of contexts and situations cannot be provided in the workplace or may occur only rarely. These are situations relating to emergency or unplanned procedures where assessment in these circumstances would be unsafe or is impractical.

Simulated assessment environments must simulate the real-life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.

Assessment must ensure use of:

- computer and internet connection to assist student learning with digital technologies

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
