Assessment Requirements for CHCEDS018 Support students with additional needs in the classroom environment

Modification History

Release	Comments
Release 3	Updated: • assessor requirements statement • foundation skills lead in statement • licensing statement • modification history to reflect 2012 standards Equivalent outcome.
Release 2	Correction to numbering in Element 3. Equivalent outcome.
Release 1	This version was released in <i>CHC Community Services Training Package release 1.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to elements and performance criteria. New evidence requirements for assessment, including volume and frequency requirements.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the following tasks at least once:

- provided support in relation to at least two main areas of additional needs
- cooperated and shared information with others to facilitate student support
- used language, equipment, materials and strategies suited to the individual needs of at least two students
- followed individual education programs planned by the teacher for at least two students
- assisted in the modification of general activities to meet particular student needs
- assisted with whole class activities as directed by the teacher
- used behaviour management strategies and techniques
- provided at least two students with constructive advice and feedback.

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the identified work role.

These include knowledge of:

- a wide range of additional needs and their implications for students' learning
- individual education programs.

Assessment Conditions

Skills must be demonstrated in the workplace.

In addition, simulations and scenarios must be used where the full range of contexts and situations cannot be provided in the workplace or may occur only rarely. These are situations relating to emergency or unplanned procedures where assessment in these circumstances would be unsafe or is impractical.

Simulated assessment environments must simulate the real-life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
