CHCEDS041 Set up and sustain learning areas

Modification History

Release 1. CHCEDS041 Set up and sustain learning areas supersedes and is not equivalent to CHCEDS004 Contribute to organisation and management of classroom or centre and CHCEDS012 Set up and sustain individual and small group learning areas.

Application

This unit describes the performance outcomes, skills and knowledge required to create, maintain and monitor individual and/or small group learning environments. This may include a learning activity area in a classroom, library or home-based learning environment, or a virtual learning environment.

The unit applies to education support workers who operate under the guidance and supervision of a teacher or other educational professional. They work mainly with students in classroom settings in primary or secondary schools, as defined by State/Territory legislation.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
