health programs**

Assessment Requirements for CHCLAH003 Participate in the planning, implementation and monitoring of individual leisure and health programs

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. Minimal change to the elements and performance criteria. New evidence requirements for assessment including volume and frequency requirements. Minimum work hours added. Significant changes to knowledge evidence.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- worked with 3 clients to:
 - gather and record detailed information using appropriate assessment methods
 - participate in the design of their programs and documented the program plans
 - implement the programs according to the plan or instructions
 - monitor and evaluate the program plans
- performed the activities outlined in the performance criteria of this unit during a period of at least 120 hours of work

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- theories of:
 - development and building in the strengths of complex needs clients
 - inclusion and non-discriminatory practices
 - segregation

- integration
- current documentation requirements and expectations within the profession
- client assessment processes
- data collection methods
- different approaches to program planning and development
- criteria for selecting a specific programming approach
- a variety of leisure experiences including:
 - art
 - music
 - sport
 - craft
- facilitation and motivational techniques
- legal and safety requirements as they relate to activities and programs
- risk assessment processes
- sources of information to be used as resources for individual program plan development
- relevant quality improvement and accreditation system principles
- work health and safety (WHS) principles and practices

Assessment Conditions

Skills must have been demonstrated in the workplace with the addition of simulations and scenarios where the full range of contexts and situations have not been provided in the workplace.

The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including individualised plans and equipment or resources outlined in the plans

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/ AQTF mandatory competency requirements for assessors.
