Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the following tasks:

- worked collaboratively with at least two families, including:
 - applying a range of collaborative work practices when working with families, children, young people, colleagues and other agencies
 - adhering to child protection principles and work practices while performing work role
 - applying self-management strategies and safe work principles
 - communicating and responding appropriately to children and families
 - supporting families to ensure that the child or young person is safe
- performed the activities outlined in the performance criteria of this unit during a period of

at least 120 hours of work in at child protection service.

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the identified work role.

These include knowledge of:

- legal, social and political context of child protection work
- interagency framework and agreed protocols
- roles and responsibilities of key agencies and personnel
- effects of child abuse and neglect and its impact on the process of investigation and assessment
- agreed guidelines of collaboration
- worker safety and self-management principles
- cultural and linguistic differences
- organisation standards, policies and procedures.

Assessment Conditions

Skills must be demonstrated in the workplace

In addition, simulations and scenarios must be used where the full range of contexts and situations cannot be provided in the workplace or may occur only rarely. These are situations relating to emergency or unplanned procedures where assessment in these circumstances would be unsafe or is impractical.

Simulated assessment environments must simulate the real-life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
