# **Assessment Requirements for CHCSOH022 Develop social housing enterprise opportunities**

**Release: 1**

# **Assessment Requirements for CHCSOH022 Develop social housing enterprise opportunities**

## **Modification History**

Release 1. CHCSOH022 Develop social housing enterprise opportunities supersedes and is equivalent to CHCSOH011 Develop social housing enterprise opportunities.

## **Performance Evidence**

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- conduct one feasibility study and one risk assessment for one new business project
- initiate, implement and evaluate one new business project for a social housing provider.

## **Knowledge Evidence**

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- Commonwealth and State or Territory legislation, regulations and organisational policies and procedures applicable to developing social housing enterprise opportunities
- industry standards applicable to developing social housing enterprise opportunities
- basic taxation requirements
- budgeting and financial management techniques:
  - conducting a feasibility study
  - preparing and revising a budget
  - sources of funding and how to locate opportunities
- principles of project management:
  - change management processes
  - risk management
  - protocols for writing funding submissions.

## **Assessment Conditions**

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure:

- access to suitable facilities, equipment and resources that reflect real working conditions and model industry operating conditions and contingencies
- access to organisational policies and procedures
- opportunities for engagement with clients and multiple agencies.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
