CHCSS00146 Working in a Child Safe Environment

Release: 1

CHCSS00146 Working in a Child Safe Environment

Modification History

Not applicable.

Description

This Skill Set provides a set of skills for undertaking work in a child-safe environment, across a variety of roles and multiple settings in the community. Work may involve providing support to children, families or communities.

Pathways Information

Achievement of these units may provide credit towards a range of qualifications in the CHC Community Services Training Package.

Licensing/Regulatory Information

No occupational licensing, certification or specific legislative requirements apply to this Skill Set at the time of publication.

Skill Set Requirements

Unit code	Unit title
CHCPRT025	Identify and report children and young people at risk
CHCPRT026	Support the rights and safety of children and young people
CHCYTH013	Engage respectfully with young people

Target Group

This Skill Set is targeted at individuals currently employed or volunteering in the child protection sector or with existing qualifications or experience in community services seeking to broaden their skills in child protection.

Suggested words for Statement of Attainment

These units of competency from the CHC Community Services Training Package provide a set of skills to provide support to children, families or communities in a child-safe context.
