Target Group

Target group

This skill set has been endorsed by industry as appropriate for people who hold a qualification at Certificate III level or higher in an area involving provision of direct client care or support or who have commensurate industry skills as evaluated through recognition of prior learning processes.

It provides a set of skills for supporting people who require basic foot skin and nail care. Application of this skill set is appropriate only when assessment of the client's feet by a relevant health professional has identified basic foot skin and nail care services as appropriate.

This skill set provides a pathway for workers holding a community services qualification as it includes CHCWHS312A.

Suggested words for Statement of Attainment

Required form of words for Statement of Attainment	This skill set meets industry requirements as specified in the CHC08 Community Services Training Package for work in providing basic foot care after assessment by a relevant health professional has identified basic foot skin and nail care services as appropriate.
